RE: GENTLE BEN, DAKTARI, COWBOY IN AFRICA

Dear Ivan:

For your convenience, we have prepared the attached cost summary of your television shows for the 1967-68 season.

The figures indicated represent total costs, including charges such as looping, wild lines, and etc., which could not be covered in my original estimate.

We have broken down each series into a per show total cost, as well as dividing each show into two categories (A & B) respectively. (A) covers the music and sound effects package as indicated by the single asterik and (B) includes all costs directly related to the music scoring as denoted by the double asterik.

When you have the opportunity to review the attached, please contact me if you have any questions.

Ivan, let me say how much I enjoyed working with you this past season, your cooperation and kindness, as well as those in your organization is sincerely appreciated.

Kindest regards.

As Ever,

GENERAL MUSIC CORPORATION
